Re: Draft Comprehensive Headworks Analysis Report for Local Limits

Dear Ms. Josilo:

In response to Administrative Order CWA-309(a)-15-011 and the letter of December 11, 2015 from Ken Greenberg, Manager, Water Section I, Enforcement Division, the City of North Las Vegas is submitting a Draft Comprehensive Headworks Analysis Report for Local Limits. The Final Draft Local Limits report incorporates the edits addressed in your December 11th letter.

Also note we have found discrepancies in the IPP Industrial User Inventory, specifically in the supply water flow for the individual IU's. We will submit a revised industrial user's list in the near future.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, I certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

If you have any questions regarding this submittal, please contact me at (702) 633-1903.

Sincerely,

Randall E. DeVaul, P.E., Director
Utilities Department
